AlphaTec®
ADVANCED CHEMICAL PROTECTION

4000 Apron with Sleeves - Model 215

Innovative multi-layer chemical barrier technology

Previously known as: MICROCHEM® by AlphaTec® 4000 Apron with Sleeves - Model 215

Full-body protective apron, featuring a multi-layer chemical barrier for superb wearer protection.

- **Specialized protection:** This full-body protective apron features a sleeved multi-layer chemical barrier and ultrasonically welded and taped seams, for comprehensive personal protection that withstands various hazards
- **Added defenses:** Designed with welded and taped seams, this chemical-resistant apron provides a genuinely robust protective barrier
- **Practical features:** With Velcro® fastening to the wearer's neck and tie fastening to their waist, users can find a comfortable, secure fit, while a double cuff with a knitted internal surface also enables secure, fitted wrist protection
