

ITEM# EM95.48

48 in. TRUE BLUE® ULTRAVIEW™ LED Magnetic Box Level

Empire is committed to delivering innovative solutions designed to meet the needs of the modern jobsite. The em95 UltraView LED level combines the professional features of the e75 True Blue box level with the patented, UltraView technology to provide superior vial visibility in dark, low and bright light applications. The patented, UltraView system uses dual LEDs, optical brightener and e-Band vials to provide high definition viewing in all conditions. Its IP54 rating meets the durability demands of the jobsite by protecting it from dust and water.

INCLUDES:

(1) 48" TRUE BLUE® ULTRAVIEW™ LED Magnetic Box Level (em95.48)

FEATURES:

- Concentrated surround dual LEDs provide superior vial visibility
- UV activated optical brightener maximizes LED light intensity
- High contrast e-band vials highlight the edge of the bubble
- Reinforced vial locking system secures acrylic block vials and delivers long life accuracy by resisting breaking, leaking or fogging
