

## Ironcat®

### Premium Goatskin MIG Welder's Glove with DuPont™ Kevlar® Stitching and Climax™ Aerogel Insulation - DISCONTINUED

- Goatskin leather construction is the softest leather and is highly recommended for applications requiring tactile sensitivity
- Stitched with Kevlar® adding strength and burn resistance
- Climax™ Aerogel insulation provides superior back-of-hand thermal protection from heat and fire
- Keystone thumb is ergonomic, reduces hand fatigue, offers superior dexterity and durability
- Reinforced split cowhide leather palm, thumb & index finger increase durability and provides added protection at common wear points
- Extended 8" cuff with snug elastic wrist to keep debris away from the hand while protecting hands and lower arms from burns
