

300' Yellow Barricade Tape

The Empire® Level 300-Foot x 3-Inch Caution Barricade Tape is an easy and economical way to cordon off dangerous areas to keep people safe. It features the word "Caution" in thick black letters against a bright yellow background to alert people to stay away from a potentially dangerous space. The Empire Level bright yellow caution tape is made from plastic and is durable enough to keep doing its job over an extended period. It will stay pliant even in cold temperatures, making it an excellent choice for use in inclement weather. The Empire Level 300-Foot x 3-Inch caution barricade tape measures 3 millimeters thick, decreasing transparency and increasing its visibility even at a distance.
