

ITEM# 7516

16' Power Grip Tape Measure

The Empire® Level 16' x 3/4" Blade Black Power Grip Tape combines clear markings with a durable case that stands up to rough job site conditions. Bold lettering and red stud markings are easy to read under almost any lighting conditions. The Empire Level 16' Power Grip tape measure's tough ABS case provides a sure grip and protects components from impacts, and the acrylic-coated blade resists wear and corrosion. A steel belt clip lets you secure the tool when it's not in use. Its built-in slide lock and a triple-riveted, dual-end blade hook make it easy to take accurate measurements at any angle or in any position. The Empire Level job site tape measure has SAE measurement markings.

INCLUDES:

(1) 16' Power Grip Tape Measure (7516)

FEATURES:

- ABS case provides a comfortable grip and protects the tool from shocks and impacts
- An acrylic coating protects the blade from rust and abrasion
