

Translucent UN Rated Poly Drum

DRM1138 30 gal., UN1H1/Y1.8/100, .1875" Thick

FDA Compliant translucent poly drums let you check fluid levels at a glance, without using a drum gauge.

- Translucent walls eliminate guesswork to help prevent overfilling or running out of materials
- Made from FDA Compliant resins for containment of food and cosmetic products
- HDPE construction is strong and light-weight
- UN Rated and tested to help ensure safe shipping of hazardous materials
- 360° top drum chime makes drums easy to move with drum lifter or other drum handling device
- Tight-head design features 2" buttress and 2" NPT bungs
