

ParaActiv™ | TCKVLO

Heat and cut-resistant gloves with long knit cuffs for added safety plus secure oil grip

ABOUT THE PRODUCT

Our ParaActiv™ TCKVLO gloves protect against heat and cut hazards and feature longer knit cuffs for added protection. Made from engineered yarn, they provide 360° cut protection with moderate ANSI A4 cut resistance and ANSI 4 heat protection. Knit cuffs provide comfort and extra wrist safety, while the cotton woven into the fabric helps absorb grease and oil for a firm, secure grip.
