

VEH9

Heavy duty 9" elastic belt with two-stage closure system and industrial grade Velcro

9" elastic belt with closure system and industrial grade Velcro®

- **Elevated comfort:** The VALEO-VEH9 offers a two-stage closure system that elevates comfort through its adjustable design, allowing users to customize the fit according to their preferences
- **Enhanced features:** Designed with flexible elastic, this back support belt conforms to the body and increases intra-abdominal pressure that helps to distribute the stress away from the spine, providing extra support during lifting activities
- **Improved durability:** Thanks to its industrial grade Velcro® tabs, this protective belt ensures a robust and long-lasting fastening mechanism designed to resist rigorous and lengthy use, making it highly resistant to wear and tear

***Note:** It is not guaranteed that wearing a lifting belt will prevent injury or cure lower back pain.

Industries

- Construction
- Manufacturing
- Utilities
- Automotive
- Automotive Aftermarket
